Dear American Friends of Canadian Conservation (AFCC),

\$ _____ USD.

I wish to request that AFCC consider a grant recommendation of \$ _____ USD in favor of the
following organization:

Organization name

I/we understand that AFCC can make a grant only to an organization that meets all grantee eligibility criteria, is approved by and in good standing with the American Friends. I also understand that the board of American Friends has absolute discretion and exclusive power to decide whether or not to follow my recommendation, and that, as required by the Internal Revenue Service, AFCC will not accept contributions earmarked for or directed to a specific Canadian organization. I would like to stipulate that any additional donations I make in the future follow this same grant recommendation unless I notify AFCC of a change of my intent. If AFCC decides to make a grant according to my request, it has my permission to forward my name and contact information, and the amount of my gift, to the recipient organization.

If AFCC decides to make a grant according to my recommendation, I understand that AFCC will automatically retain a portion of the grant to operate its programs according to this schedule: \$30 flat fee for gifts between \$200 - \$500; 6% of the amount of the gift between \$501 - \$10,000; 4% of the amount between \$10,001 - \$100,000; 2% for amounts over \$100,000.

I would like to make an additional gift of \$ _____ USD to AFCC to support its cross border conservation initiatives.

Sincerely,

American Friends partners with Canadian conservation organizations and American owners of ecologically significant lands to protect Canada's natural lands, clean water, abundant habitat and the quality of life for citizens of both countries.

American Friends of Canadian Conservation helps Canadian conservation organizations to protect ecologically important land in Canada.

Comox Valley Land Trust and American Friends work together to conserve land. We invite you to join us.

Land Conservation without Borders

Americans have been coming to Vancouver Island for generations. Many want to save ecologically significant lands they know and love for future generations.

American Friends has special tax status in both Canada and the U.S. that encourages U.S. taxpayers to protect Canadian property.

Protect the Land you Love!

American Friends and its partnerships with Canadian organizations are producing impressive conservation results. In just six years, U.S. taxpayers have donated 22 remarkable properties to American Friends, protecting almost 3,000 acres of important habitat in five provinces.

Valued at more than USD \$11,000,000, these gifts protect marine shorelines, pristine lakes, mature woodlands, world-class wetlands, habitat for endangered species, and a wealth of recreational and economic values. Over 50 individual American donors entrusted their cherished Canadian lands to American Friends and local partners such as Comox Valley Land Trust.
